STUDENT COUNSELOR

VVIT is taking care of students by means of student counselors. Dr. Naveen, Professor in the department of Computer Science & Engineering is the Chairman of student counselor. Each department has teachers acting as student counselors. A group of fifteen students are entrusted to a counselor. The counselor has the responsibility of counseling the students over the academic and the personal matter of students. The counselor will be in touch with the parents regarding the academic and behavior of student in the campus.
